Mr. Hunt's Reading Extravaganza Challenge # 29 :

LOOK! LOOK! I CAN READ! LOOK! HEAR ME GO!

Learning To Read All On Your Own (Beyond Levelled Readers)

Special Note: This list is made for those kids who are just starting to get confident with reading words and sentences all by themselves (but might still like a little bit of support). It is a great way for kids and adults to share that special time when new readers discover the powerful magic of transforming symbols on the page into the words of a fun and entertaining story.

*To complete this challenge you may want to get books from the public library as well as the school library...multiple kids may be working on these books and we don't always have multiple copies.

YOU CAN READ THE BOOKS IN ANY ORDER...you don't have to start at #1 and go down...

If you complete this challenge, and get this form fully filled in, and get your parent/guardian's signature, you will be able to come the Library to choose one free **REWARD BOOK** to keep for your own collection.

Students are allowed and encouraged to work on more than one Challenge...keep on reading!
