Mr. Hunt's Reading Extravaganza Challenge # 55 :

DOTS & LINES . . . - - - . . . - - - Books List

Special Note: this is a funky, tricky list that features books that experiment with DOTS and LINES

******As always, they need to be books read currently—now; next week, month, etc--in this school year; past reading doesn't count for this list. But, you can always re-read something.***

*To complete this challenge you may want to get books from the public library as well as the school library.

If you complete this challenge, and get this form fully filled in, and get your parent/guardian's signature, you will be able to come the Library to choose one free **REWARD BOOK** to keep for your own collection.

Students are allowed and encouraged to work on more than one Challenge...keep on reading!
