## Mr. Hunt's Reading Extravaganza Challenge # 57 :

### BIRDS are Amazing Animals! List (an awesome aviary collection)

***Special Note:*** *this is a list that is also about birds of all kinds; it includes details about their communication and special skills and abilities—behavioural and structural adaptations.*

***\*\*\*As always, they need to be books read currently—now; next week, month, etc--in this school year; past reading doesn't count for this list. But, you can always re-read something.***

\*To complete this challenge you may want to get books from the public library as well as the school library.

***If you complete this challenge, and get this form fully filled in, and get your parent/guardian's signature,*** you will be able to come the Library to choose one free **REWARD BOOK** to keep for your own collection.

Students are allowed and encouraged to work on more than one Challenge...keep on reading!
