"This program is modeled after an evidence-based message that is used around the world, developed by a team of experts and led by a pediatric endocrinologist, Dr. Shazhan Arned of Children's Hospital," Dixon said. "These obesity and health children in her practice."

to do is ...

Chilliwack school board will get its first look at next year's 2013-14 operating budget.

The Chilliwack school board will go to a public hearing on June 4. The designation amounts to a notice on title that regulates any changes to the exterior of the buildings.

The applications come on the heels of a new version of the heritage designation.

A heritage ... on Yale Road ...

Instead, the city paid for a commission was not prepared by a heritage consultant.

Backs. Shoulders. Neck.

and some of the worst ... nose weekend warriors the gardeners.

No joke.

"We see a lot of people v hibernating in their houses, winter, and they get out in and go crazy," Kilgannon la. "They're hunched over for or lifting heavy bags. They're things out of the shed with leverage. If they're pulling w roots can really be in there so. There are lots of ways to hurt
