**practice is vital** so that your child improves on these most frequently used words in writing English...make a game of it...reward small improvements...

If your child is a stronger speller, please focus on practising any of the 20 (or less) words they mis-spelled.

***Below are the most common problem words for most (even stronger) spellers in our class: as a minimum, these should be practised at home:***

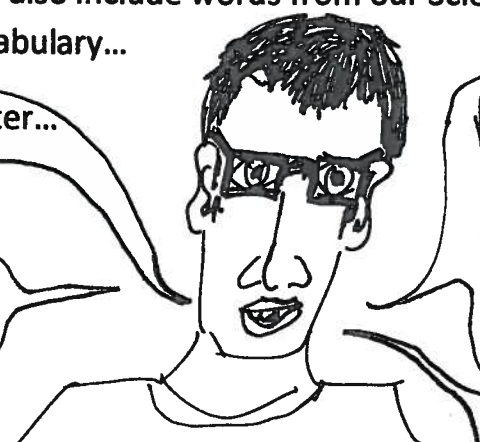

- different      important      often      people      something      there/their/they're
- through/threw      thought      to/too/two      while      which

These most troublesome words will be worked into weekly spelling lists (to be started soon...) as well as words that should be mastered by the end of Gr. 4.

Weekly spelling lists will also include words from our Science, Social Studies, Math, etc. keyword vocabulary...
