

COLLAGE: Crazy Creature: humanoid, monster, cyborg...

4 = Exceeds Expectations -meets all expectations of a 3 project -goes beyond the generic example -extremely professional in presentation (i.e., stands out from peers) -excellent composition	3 = Meets Expectations -magazine pictures trimmed well (not jagged) -professional presentation (no extra glue) -good composition; no large blank area -more than 3 different layered images combined to make monster, etc. -the work is given a title; written on back, with name (first and last)
2 = Minimally Meets Expectations -all elements of a 3, but less professional -pictures mostly trimmed well -pres. a little sloppy; composition weak -work has title and artist name on back	1 = Doesn't Meet Expectations -major elements missing -too sloppy -need to re-do and re-submit

OPTIONAL: WORD BUBBLE → NOT DRAWN IN → CLIPPED OUTS
 → WORDS CLIPPED OUT THAN WRITTEN IN
 4 3 2 1

CREATE-A-CREATURE COLLAGE:	NAME: _____ _____	Creature made of a blend at least 3 recognizably different animals and/or objects... 5 4 3.5 3
