FEBRUARY – I AM HONEST

Each month we specifically highlight one of the character traits we wish to develop in our students and ourselves. For March the trait is HONESTY. We encourage our children to always tell the truth. Honesty is the best policy!

THAT MAKES SCENTS! ☹️

There are many students and staff members who have allergies or are adversely affected by strong smells. This includes things like **perfumes, scented deodorants (ex. "Axe", "Old Spice"), strong smelling detergents and fabric softeners, scented hand creams**, etc. You can support our efforts to help make Sardis Elementary an effective learning and working space by being "scent aware" and not coming to school or sending your child to school with strong scents. It makes a difference to the health and well-being of many. Thank you.

SURVEY

Each year the Ministry of Education provides a survey to collect information from students, staff and families regarding public schools in BC. You are encouraged to participate by logging into the web site at

<https://www.awinfosys.com/SurveyFull1/central/main/access.asp>

Use the "Direct Access" logon for the survey (see the box below). You have until April 15th to make your opinions heard.

Parents

- Please complete one survey for each child.
- Parents have two options for accessing the survey: either by using a logon provided to you by your school, or by using the Direct (logon-free) Access (please select one of the options below).

Jump Rope for Heart

We came, we jumped, we set a record! This year, Sardis kids and families raised more money for the Heart & Stroke Foundation than ever before. We challenged kids to raise \$2500, and they **raised over \$6500!** Incredible!!!! Thank you for your support. Those who earned prizes will receive them in the weeks ahead.
