

Sunday, April 12, 2026

Good afternoon, Sardis Families. How lovely it was to have a week of blue skies and sunshine last week! We were able to have our fourth fire drill on Friday so just two more to go before the end of the year. Here are some things for you to know as we head into week #33 at Sardis Elementary:

* Starting on Monday, students will be using the inline skates for two weeks so if students can bring their own helmet on their gym days, it is best. Attached is some more information from Mrs. Cavanagh about this fun activity.

*Our basketball teams both have games this week. The boys play on Tuesday, April 14th, with a game at Stitó:s and the girls play on Wednesday, April 15th at Tyson. Games start at approximately 2:40. Good luck, Skyhawks!

*Attached here is some information on the annual Transition Fair on April 15th for youth and young adults living with a disability. This event is designed for people of all ages and their families to connect with the community and provincial groups that support the transition of students to adulthood. This event is key for those 14 years of age or older to ensure they are prepared and supported for the move but it is also important for all families as there are things that can occur and aspects of the supports offered that happen at the earlier years.

*Friday will be the hotdog hot lunch for those who have ordered, prepared by our dedicated volunteers. Our current amazing hot lunch coordinator, Deanna, is stepping down from this job at the end of this year and she's hoping someone would like to take that on so that students can continue to enjoy hot lunches next year. She's willing to work along side the person to assist if needed so if you would like to volunteer or find out more, please email her at hotlunchsardis@gmail.com.

*While it may seem like a long time from now, we are already beginning to plan for next year. An attendance survey will be coming home with the youngest child in each family (for students in grades Kindergarten to 4) and we are asking everyone to fill it in to indicate if your child will be returning or not. If you send it back to your child's teacher by this Friday, April 17th you will be entered into a draw for a chance to win a \$30 gift card to Domino's Pizza. There are ten cards to be won but you can only win if your survey is returned!

*This year the Spring Cross Country run that takes place up at Cultus Lake Elementary will be held on Thursday, May 7th. The event begins at 3:45 with the first race starting at 4:00. Important to note, this year the run is only open to students in Grades 1, 2, and 3. Older students will have the opportunity to join the track and field team to participate in running events if they like. The organizers of the cross country run are needing to reduce the number of participants and traffic congestion which is why it is being limited to those three grades.

*Next Sunday is the 200th night of reading if your child has been reading at home every night. Slips can be returned to the Super Reader box across from the office after that date.

We're back to a full five days of school this week. A reminder that the Hugo's hot lunch date is now May 1st, so if you wanted to order for your child the closing date is April 22nd. I know that's a popular one so wouldn't want anyone to miss out! Now I'm off to work in the garden while it's so nice out.

Mrs. Kasper
