Good afternoon, Sardis Families. I hope you've been able to spend time doing some fun activities with your family over the long weekend. It's always surprising to me how long a four-day weekend feels! Here are some things for you to know as we head into week #38 at Sardis Elementary:

*Mr. Hunt and Miss Shelley were busy getting the Scholastic Book Fair set up Thursday afternoon for students this week. Students have an opportunity to come with their class either Tuesday or Wednesday to look at the items available, with no purchases happening those days. They will be able to come back again on Thursday or Friday during class time to make purchases. If students have an adult with them, they can also come Thursday and Friday before school, 8:00 – 8:15 to purchase items, or after school on Thursday from 2:15 – 3:15. We appreciate all the volunteers who have signed up to help; we couldn't do it without you!

*We are excited to be welcoming out incoming Kindergarten students to KinderFair on Thursday morning, May 21st. The parking lot may be a bit busier that morning as the first group begins at 8:30, so you may want to plan for that if you drive your child to school.

*Friday, May 22nd is the Coco Sushi hot lunch day for those students who have ordered.

*A reminder that our PAC AGM and May meeting will be happening on Tuesday, May 26th, at 6:00 pm in the library. They will be looking to elect a new Treasurer at the AGM so if this is something you think you would be interested in, please email sardis-pac@sd33.bc.ca if you have questions. A huge thanks to Amanda who has been doing the job for many years now!

*Friday, May 29th is an Assessment and Evaluation Day in the school district, which means it will be a non-instructional day for students.

*I know it's three weeks way yet, but we hope you have Thursday, June 4th marked in your calendar as that's the Sardis PAC Carnival night, with activities taking place at the school from 4:30 – 7:30 pm. More information will be coming out closer to the date but I just wanted to make sure you know it's coming up and hope you'll be able to attend!

*There are LOTS of items in the lost and found right now. We will be putting them out on tables the last week of May, but please encourage your child to take a look to see if anything belongs to them as both the primary and intermediate locations are overflowing with hoodies and jackets.

As we get closer to the end of the year and more classes are heading out on field trips, please remember that we can support families with funds for these trips using the

Affordability Fund we have access to. Now I'm going to head back out into the yard to do some more work in the garden before the day is done!

Mrs. Kasper
