

Sunday, June 14, 2026

Good afternoon, Sardis Families. How thankful we were that Friday was a beautiful day, with no need to worry about whether or not the Primary Fun Day would need to be moved inside! We appreciate the work the staff did to organize the stations and the leadership of Mrs. Murphy in making sure everything ran so smoothly. Here are some things for you to know as we head into week # 42 at Sardis Elementary:

*Our Grade 5 students will be heading to Central City Fun Park on Monday morning, leaving at 8:30 and returning at 2:30. The parent planning committee has done a lot of work to see this event happen for the students at no cost, along with the Grade 5 family BBQ from 5 – 7 later in the day, and we appreciate their vision in bringing this day about! An email was sent out on Saturday to parents of a Grade 5 student with all of the information you will need to plan for this day so hopefully you received that.

*Ms. Joe has been working with our local Indigenous communities to put together a great morning of learning for students on Tuesday, June 16th. We're pleased to welcome a number of guest presenters who will share their talents with our students in the areas of story, art, and sport. If your child has an orange shirt we encourage them to wear it that day!

*Intermediate students found out last week if they qualified for the District Track and Field meet taking place on Thursday, June 18th at Sardis Secondary. Students going to the meet will be taken there by bus in the morning at 8:30 but will need to arrange their own transportation home after they are finished. We set up the Sardis tents close to the fire hall for our team so if you are a parent coming to the event that's where you can come to look for your child. Thanks to Mrs. Cavanagh for her work organizing and the teachers who ran the different events during their lunch hour. Good luck Skyhawks!

*Friday, June 19th is our Intermediate Sports Day. Students in Grades 3 – 5 will be taking part in a variety of games outside from 8:30 – 11:30 that morning so don't forget hats, water, and sunscreen as it looks like it's also going to be a beautiful sunny day for this activity. Thanks to Ms. Warner and Mrs. Cavanagh for their work in organizing and the Intermediate teachers for planning the stations.

*Our Kindergarten and Grade 1 students will be heading to the Vancouver Zoo on Friday too. This is their exciting year-end field trip, and we know it's going to be a fun experience for them! They'll be leaving at 8:30 and returning at 1:30 so it's important to be on time so they don't miss the bus.

*I've attached a flyer from Chilliwack Youth Health Centre with information on their summer programs. It's for 12 – 26-year-olds, but you may have an older child or young adult, or know someone who does, who would be interested.

It's hard to believe next week I'll be sending out the final family email. A reminder that the last day of school for students is Thursday, June 25th and students finish for the day at 11:15. Learning Summaries will be sent home at the end of the day that day but if your child isn't going to be here we will hold it for you in the office. Now time to find a shady spot in the yard to do some reading!

Mrs. Kasper
